## 68 AZIMUT

This Azimut is equipped with 4 cabins, very spacious and comfortable. Every cabin has its own bathroom, to enable guests to be the more comfortable and independent as possible. The exterior living is large and spacious, perfect to spend a magical moment in the warm Miami weather and stunning blue waters. The aft deck is just next to the salon, shaded and boasts an alfresco dining option and seating. To make the most of the cruise, you can also enjoy a flybridge, to have a nice drink with your friends or family, with an amazing view. You will also be able to spend great time with all the toys available on the boat.
