## 72 MANGUSTA

On the main deck stunning 72' Mangusta YCM "Maxi Open" comes alive with a grand indoor/outdoor entertainment area. It is a very heart of the Yacht. A full beam Sunroof opens to the stars by night or sunlight during the day. A modern helm console and over-sized bench seats on both sides encourage friends and family. Aft of the helm is an open bar and buffet set up to support the dining and lounging areas. On the aft deck there is a large over-sized tanning sun bed. On the aft deck there are dual steps to a generous swim step and the access to the garage with all the water toys. On the bow is a very large sun bed and sitting area. Perfect for a family or friends lounging area or entertaining area that followed to a concealed anchoring station with the crew cabin accessed via a flush bow hatch.
